Meeting rooms for rent

VALUE GUESTS

Would you like to retreat to a quiet environment for discussions or presentations? You are welcome to rent various meeting rooms for this purpose.

You can choose between seven different rooms on the seminar level. The possible booking times start from 2 hours of use. An exclusive all-day reservation is also possible.

There is a 30-minute break between each booking time, which is necessary for disinfecting and clearing away crockery. Therefore, we urgently request that you keep to the booked time slots.

Culinary catering is provided by the Maritim. They will gladly accept your requests for the conference rooms: <mailto:meeting.dre@maritim.de>.

For the allocation of rooms, please contact us at <mailto:contact@atm-hamburg.com>.
